LONG-LASTING

Kills 100% of newly arriving fleas for 4 full weeks.²

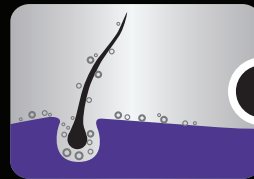

SAFE

Tested and approved at 1x, 3x and 5x the recommended dose.²

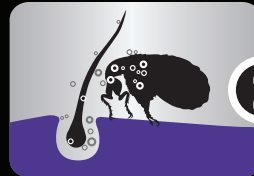

HOW ACTIVYL® WORKS

Activyl is the monthly spot-on flea treatment that works like nothing else.

1

Activyl® is applied to pet's skin and coat.

2

Fleas absorb Activyl® by coming into contact with the skin - not biting.

3

Inside, Activyl® becomes active, paralyzing the flea.

4

Unable to feed, the flea dies.

FOR DOGS

Toy (4-14 lbs)

Small (14-22 lbs)

Medium (22-44 lbs)

Large (44-88 lbs)

X-Large (88-132 lbs)

FOR CATS
